SERVICE IS OUR MIDDLE NAME

The Office of the Regional Superintendent of Schools is designed to serve all segments of the population of Lee, Ogle, and Whiteside Counties -- teachers, students, administrators, school boards, non-certified personnel, and the citizenry in general -- in matters relating to education.

In addition to the regulatory administrative duties required by law, the office serves as a consultant and as a coordinator for all school personnel in a variety of areas, from providing information on legal matters to developing in-service programs to meet special needs; from assisting business, industry, labor, service and agricultural groups to helping secure resource personnel for specialized programs.
